

GUYER
CATTLE COMPANY

Customer Appreciation

SALE • November 2010

We are proud to announce this unique opportunity available to all Guyer Cattle Co. customers. If you have previously purchased genetics or live cattle from us through The Chosen Few Sale or privately, you may be eligible to sell in our Customer Appreciation sale this November - a one of a kind consignment sale.

This Customer Appreciation Sale is strictly for our customers to market cattle through and is not for GCC. This is an opportunity for us to say thanks and help you as a customer to market your cattle. Guyer Cattle Company will still have our Chosen Few Sale in January.

Featuring progeny from GCC customers.

We proudly feed & recommend Show Chow
